Boss Defiance

Boss Defiance is a 4 player arcade/action competitive and asymmetric local multiplayer game.

One player plays as the powerful Boss while the others players play as the Heroes. The Boss must fight his way room by room, facing the other 3 players in a dungeon battle arena.

To succeed, the Boss will have to reach the end of the dungeon slaying all the Heroes in his way. The Heroes will have to cooperate in order to stop the powerful Boss from reaching the end of the dungeon.

The game will feature a 4-player and a 3-player game mode.

Rediscover the pleasure of playing side by side with your friends in this exciting action couch game, and spend countless hours of fun with 6 different Heroes and 3 different Bosses!
