## Boss Defiance

Boss Defiance is a 3 or 4 player arcade/action competitive and asymmetric local multiplayer game with 2D Pixel Art Graphic.

One player plays as the powerful Boss while the others players play as the Heroes. The Boss must fight his way room by room, facing the other players in a dungeon battle arena.

To succeed, the Boss will have to reach the end of the dungeon slaying all the Heroes in his way. The Heroes will have to cooperate in order to stop the powerful Boss from reaching the end of the dungeon.

Boss Defiance is an exciting couch and party game which gives the opportunity of rediscovering the pleasure of playing side by side with your friends. The game features 6 different Heroes and 3 different Bosses, everyone with unique abilities and gameplay!
